

Assessment Careers

Enhancing learning pathways through assessment

JISC Assessment & Feedback Programme – Strand A

Project leader: Dr Gwyneth Hughes g.hughes@ioe.ac.uk

Project deputy: Dr Martin Oliver m.oliver@ioe.ac.uk

Past experience of assessment (may be negative)

Postgraduate Assessment Careers start here

How will we achieve this vision?

1. Baseline study of IOE and develop assessment career framework
2. Five pilots to test different approaches to embedding an assessment career framework in the following programmes:
 - » PGCE Primary Education » MA Psychology » MA Health Promotion and International Development
 - » MA Clinical Education » MResearch
3. Scale up and embed across the institution including 5 more programmes.
